The **Annual Chaplaincy Meeting** is on Wednesday 26 April at 19.00. Make sure if you are new to Christ Church that you register for the electoral roll.

Towards the entrance of the church you will find a **Card Reader**. It is for making electronic money donations for the work, ministry and mission of Christ Church.

The next selection for the **Reading Group** meeting on 22 March is *Bewilderment* by Richard Powers. We meet on Zoom.

Holy Communion from the Common Cup has been restored symbolizing our unity in Christ. Intinction (*dipping the bread into the wine*) is **NOT permitted for hygienic reasons and as directed by our Bishops**. If you feel uncertain about drinking from the chalice, continuing to receive the bread only is acceptable. Remain kneeling until the wine has passed. Should you have an active respiratory infection of any sort, we ask that you exercise caution and refrain from the cup.

The Sunday Bible Study

meets at 9.30 in the church crypt.

LivingLight Blog #110: Hot seats for our Church? A 12th century church in Gloucestershire took the courageous step to replace their regular church heating with under-pew electric heating, not only reducing their energy bill and enhancing everyone's comfort in the winter, but also taking a big step towards becoming a Net Zero Carbon church. Should we do something similar here at Christ Church? Check it out at <https://ccv-site.org/web/index.php/connect/living-light-eco-blog>. If you have ideas or thoughts on future blogs, do write to eco@christchurchvienna.org.
