**Reading the Bible** The Bible is the most popular book in the world and the most important book for Christians. Yet, having been composed thousands of years ago in different ancient cultures and languages, it can feel very strange and distant. Join us in the Church Centre or online for a new educational series on reading the Bible. We'll be gathering about one Saturday morning per month to discuss the tools for reading the Bible well -- informed by both the academy and the Anglican tradition. The series will be organized by the Revd Dr Robert Kinney. We'll start on November 27 from 10-11am.
